

Technical Information

MARINE METAL POLISH

Product information

AUTOSOL® MARINE METAL POLISH is designed to clean, polish and protect all bright metal parts as well as GRP surfaces on boats. AUTOSOL® MARINE METAL POLISH is used by manufacturers, boat builders as well as in repair yards of GRP hulls as a polishing compound. It's cleaning properties remove corrosion, tarnish and discolouring and protect the treated surfaces.

Application

Apply sparingly, rub polish on with a soft cloth, buff to high lustre. On larger surfaces apply using a polishing machine. For lasting care use AUTOSOL® MARINE METAL POLISH regularly.

Note

At sensitive surfaces test material compatibility on a small inconspicuous area.

Technical Data

Form: paste
Colour: white
Odour: characteristic

Health and Safety

Safety Data Sheet is available separately.
